

## **Privacy Policy**

This document has the legal status of an offer under the terms of the accession agreement.

Before using the Site, we ask you to carefully familiarize yourself with this document regarding the non-disclosure and provision of the regime for protecting the confidentiality of personal data that the User provides to the Owner during the use of the Site, and to express your full agreement with the terms of this document, which occurs through further use of the Site , including providing your data in the relevant sections of the Site.

The user has no right to use the Site if he does not agree with the terms of this document or if he has not reached the legal age when he has the right to enter into contracts of this type.

By performing any actions within the Site, and/or using any part of the Site, the User gives his unequivocal consent to the terms of this document and grants the Owner the right to process the User's personal data in accordance with the terms of this document. If the User does not agree with the privacy policy, the User must leave this Site.

### **1. Definition of terms**

The following terms are used in this privacy policy:

- "Site" - open for free visual inspection by any person, a publicly available website owned by the Owner, located on the Internet at the address leakmind.one, together with all pages, subdomains and software that provides information display.
- "Owner" - who maintains the Site and who owns the rights to the Site.
- "User" - a person who has access to the Site via the Internet and uses the services of the Site.
- "Personal data" is information or a set of information about the User who is identified or can be specifically identified. The User may be asked to enter personal data on the Site for the purpose of establishing feedback.
- "Processing of personal data" - any action (operation) or set of actions (operations) carried out with the use of automation tools or without the use of such tools with personal data, such as collection, recording, systematization, structuring, storage, clarification ( update, change), arrangement, review, use, distribution or any other type of access to third parties, as well as depersonalization, blocking, deletion, destruction of personal data.
- "Confidentiality of personal data" - mandatory for compliance by the Owner or another person who has access to personal data, the requirement not to allow their distribution without the consent of the user or the presence of another legal basis.

### **2. The subject of the privacy policy**

The actual privacy policy establishes the Owner's obligations regarding non-disclosure and ensuring the privacy protection regime of personal data that the User provides to the Owner while using the Site. The personal data permitted to be processed within the scope of this privacy policy include:

- Full Name;
- email address (e-mail);
- phone number.

The Site system protects information that is automatically transmitted during its use by the User:

- IP address;
- browser information;
- access time;
- the address of the page used;
- the address of the previous page.

In turn, the Site User has no right to distribute, change, transfer, use or reuse any information from the Site for any public or commercial purpose without the written permission of the Owner. The copied information must contain an active hyperlink to the Site. Information from the Site may be copied for non-commercial purposes for posting on the User's pages, blogs, social networks, etc.

The User acknowledges that if he neglects the security and protection of his personal data, third parties may gain unauthorized access to the User's data. The owner is not responsible for damages caused by such access.

### **3. Purposes of collection**

The Owner collects and may use the User's personal data for the following purposes:

- providing the User with access to personalized resources of the Site;
- establishing feedback with the User, including sending messages, requests regarding the use of the Site's services, processing requests and applications from the User;
- determining the location of the User to ensure security and prevent fraud;
- providing the User with effective customer and technical support in the event of problems related to the use of the Site;
- providing the User, with his consent, special offers, price information, newsletters and other information on behalf of the Owner or on behalf of the Owner's partners.

### **4. Methods and terms of processing**

The processing of the User's personal data is carried out without a time limit, in any legal way, including in personal data information systems with the use of automation tools or without the use of such tools.

The User's personal data may be transferred to authorized bodies only on the grounds and in the manner established by the legislation of Ukraine. In case of loss or disclosure of personal data, the Owner informs the User about the loss or disclosure of personal data. The Owner, together with the User, takes all necessary measures to prevent losses or other negative consequences caused by the loss or disclosure of the User's personal data.

The technical staff who develop and support the Site take the necessary organizational and technical measures to protect the User's personal information from illegal or accidental access, destruction, alteration, blocking, copying, distribution, as well as from other illegal actions of third parties.

### **5. Rights of users as subjects of personal data**

Rights of personal data subjects in accordance with the legislation of Ukraine:

- to know about the sources of collection, the location of their personal data, the purpose of their processing, the location or place of residence (residence) of the owner or manager of personal data or to give an appropriate mandate to receive this information to persons authorized by them, except for cases established by law;

- receive information about the terms of providing access to personal data, in particular information about third parties to whom personal data is provided;
- to access your personal data;
- receive no later than thirty calendar days from the date of receipt of the request, except in cases provided by law, an answer about whether his personal data is processed or stored, as well as receive the content of such personal data;
- present a reasoned demand to the owner of personal data with an objection to the processing of his personal data;
- make a reasoned demand for the change or destruction of your personal data by any owner and administrator of personal data, if these data are processed illegally or are unreliable;
- to protect your personal data from illegal processing and accidental loss, destruction, damage due to intentional concealment, failure to provide or untimely provision of data, as well as protection from providing information that is unreliable or disgraces the honor, dignity and business reputation of a physical person individuals;
- file complaints about the processing of your personal data to the Human Rights Commissioner of the Verkhovna Rada of Ukraine or to the court;
- apply legal remedies in case of violation of the legislation on personal data protection;
- enter a disclaimer on the limitation of the right to process your personal data upon consent;
- withdraw consent to the processing of personal data;
- know the mechanism of automatic processing of personal data;
- to protect against an automated decision that has legal consequences for him.

## **6. Obligations of the Owner**

The owner is obliged:

- use the received information exclusively for the purposes specified in Clause 3 of this privacy policy;
- to ensure that confidential information is kept confidential, not to be disclosed without the prior written consent of the User, as well as not to sell, exchange, publish, or disclose in other possible ways the transferred personal data of the User;
- take precautions to protect the confidentiality of the User's personal data in accordance with the procedure that is usually used to protect this kind of information in the existing business turnover;
- block personal data relating to the relevant User from the moment of the User's or his legal representative's or the authorized body's protection of the rights of personal data subjects.

## **7. Change of privacy policy**

By using the Site, the User accepts the terms of this document, considers and agrees that this privacy policy may change from time to time. Changes made to the privacy policy are published on this page of the Site. In some cases, the Owner reserves the right to publish separate privacy notices for certain applications.

## **8. Additional conditions**

The Owner is not responsible for damage or losses suffered by the User or third parties as a result of misunderstanding or misunderstanding of the terms of this document, instructions on the procedure for using the Site, the procedure for posting data and other technical issues. In the event that any provision of this document, including any provision, clause or part thereof, is held to be contrary to law or invalid, this shall not affect the other provisions which are not contrary to law, they shall remain in full force and effect and are valid, and any invalid provision, or provision that cannot be fulfilled without further action by the Parties, is considered changed, corrected to the extent that it is necessary to ensure its validity and the possibility of execution.

The privacy policy applies to the User from the moment he starts using the Site, and is valid as long as any information about the User, including personal data, is stored on the Site. The term and territory of validity of this document, including the term of storage of the User's personal data, are not limited.
